**Hiring Manager**
Adani Group
Bengaluru, Karnataka

Dear Hiring Manager,

I am excited to apply for the Frontend Developer position at Adani Group. With proficiency in **HTML, CSS, JavaScript**, and **React (Next.js)**, along with a strong problem-solving ability demonstrated through **350+ problems solved on LeetCode** (top 15% globally), I am confident in my ability to contribute to your team.

I have experience in **UI/UX design implementation**, optimizing applications for speed, and integrating frontend components with backend systems. My technical skills, including **AJAX**, **mobile-first responsive design**, and **Git** version control, will allow me to collaborate effectively with cross-functional teams and deliver high-quality, scalable solutions.

I am eager to bring my skills in frontend development to Adani Group and contribute to the success of your team. I look forward to the opportunity to discuss how I can support your goals.

Thank you for considering my application.

Best regards,
Anisha Birla
